

## INTERNSHIP EXPERIENCE LETTER

Date: 12<sup>th</sup> February 2022

This is to certify that **Mr. Lalit Narayan Mudgal**, B19012, pursuing B.Tech-M.Tech Dual Degree in Computational Bioengineering from IIT Mandi, has worked with Wrig Nanosystems Pvt. Ltd. as **Project Management Intern** from 7<sup>th</sup> December 2021 to 12<sup>th</sup> February 2022. His project work included development of code for Batch coding automation, preparation of Python code for a new process of testing of TrueHb strips, designing IoT network for production area and selection and finalization of hardware for this project. During the tenure of his internship, he was observed to be hard working, disciplined and creative.

We wish him all the success in the future.
